BECOME A ROADTESTER

WHAT'S A ROADTESTER?

To help make sure we're **always serving our travel community first** with experiences that people **ACTUALLY** want, we send roadtesters out each year to test our JENZA, BUNAC, USIT + SWAP experiences.

YOU'LL NEED TO COMMIT TO...

- Written survey feedback (+ verbal feedback if required) **throughout your program journey**: after you book, before you travel, during or after your program.
- A face-to-camera **video** about your experience (edited by us).
- 25x smartphone **photos**.

WHAT SKILLS DO I NEED?

Roadtester skills include: Amateur Blair Witch style face-to-camera video taking, scrupulously-honest survey feedback, and a desire to **shape authentic travel opportunities for future 18-30s like you**.

IN RETURN, YOU'LL GET...

- **A free experience!** Your program cost will be refunded to you – with payments staggered after you have completed each commitment.
- The **warm and fuzzy feeling** of knowing that you're helping to improve our experiences.
- Good travel **karma**.

Check out our [roadtester playlist](#) for the type of content we look for!
